Sizewell Hall

Newsletter July 2016

Hello and Goodbye!

Dear Friends,

For those of you who have not yet met me, I am Clive Cornelius, and together with my wife Kathie we are the new managers joining the team at Sizewell Hall. We feel that because there is so much happening here at Sizewell Hall that a newsletter needs to come to you more regularly.

Many exciting things are happening and we need to let you know, so you can join us in prayer and praise for God's work here.

Thank you to all we have met so far and for the warm welcome you have given us. We look forward to meeting more of you in the days ahead. It is so encouraging to meet so many people really interested in the work at Sizewell Hall.

Good byes!

In January, we said goodbye to Peter and Lynne Warnock. We thank God for their hard work they have done over the past 15 years. In their last month here they tried to pass on all that knowledge to us! We are grateful to Rob and Lesley Aldred who have also been (and still are) good teachers – and very patient! Please continue to pray for Peter and Lynne as they adjust to retirement.

Chris Ryall, one of our Trustees stepped down in January. A big thank you to him for all the work he has done for us in the IT world. After he stepped down and things went a bit haywire with the IT in the office, and he once again came to the rescue! Thank you - Chris.

In May, Mark Beaton stepped down as our chairman. We are thankful to Mark for all he did while he was on the board of Trustees as chairman. Mark and Paula will however continue to be involved in the Marriage Course weekend – *Time 4 U 2*.

Hellos!

Colin Low was elected as our new chairman. Colin and Mel run the late summer Over 50 Houseparty. Colin runs his own firm of Chartered Independent Financial Advisers. Colin and Mel worship at Cedars Park Church, Stowmarket.

There are two new trustees who have joined this year. They are Matt Levett and Rebecca Pulford. Matt is a youth worker from The Forge in Debenham. Rebecca is from Eld Lane Baptist Church, Colchester and is an Associate Director of Nursing in the NHS.

Start the day with prayer

Each morning the team here starts the day with prayer. We pray, amongst other things for the groups that will be coming that weekend and/or week ahead.

We pray that those who have yet to know God will come to faith, and that God to touch the lives of those who already know Him, and each week those prayers are answered – Praise the Lord! This is all such an encouragement to us. God is continually at work, just as the psalmist says in Psalm 121 v 3- 4
“he who watches over you will not slumber; indeed, he who watches over Israel will neither slumber nor sleep.”

God’s work will continue here and we are all humbled by being part of this work. As we look to the future and seek God’s guidance for the future of God, we know for sure that HE is here with us and we will continue to keep our eyes focused on Him for each day.

New Roof

One thing that the future does hold is the need for the roof of the hall to be replaced. This is an enormous undertaking, logistically and financially. Please pray as we seek to find the right contractor to do the job and for the finances for the complete work. A couple of projects that have also come up as a bit of a surprise, is the need to replace the extraction system in the main kitchen, and even more urgent is the complete refurbishment of the soak away on the main sewage system. We value your prayers as we undertake this work.

New website

Watch out for the launch of our new website. We trust this will be of great help to groups coming and for promoting more prayer and involvement in the work of Sizewell Hall.
