## Sizewell Hall Newsletter April 2018

*From The Forge 242 Young people's group.*

Recently our young people went away to Sizewell Hall for 'Revolution' - a week full of activities, sessions, games and more. Check out Phoebe's story of her experience:

"My name is Phoebe and I am 11 years old. Since I started going to 242 Eye I have felt it has helped me with starting high school and I feel like I'm a part of an amazing family.

I've made so many new friends especially at the Revolution week away at Sizewell. Sizewell was an amazing experience for me and I also connected with leaders too!

On the last night there was a worship session where I really felt I connected with God and when some of the leaders shared their testimonies I realised I wasn't alone in my mistakes. Since then I have felt so much happier in school and everyday life. I am so grateful for that week!"

### ***Have you got a story?***

### Update from Rob & Lesley

You will be pleased to hear that following Rob's ill health last year, he has now returned to work full time. But, it is with some sadness to inform you, Rob and Lesley have decided leave their roles here early in 2019.

## Tree Surgeons

During March we had a lot of work done on some of the trees around the grounds. The guys worked hard, even the 'Beast from the East' didn't slow them down. One the surgeons carves on the stumps where possible. Below is a picture of a tree that had '3 stumps', so the words; Father, Son and Spirit are on these. Next time you are here take time to find a few other carvings.

**Thank you  
for all your  
interest &  
prayers**
