Other Prayer items:

Thank you Colin!

Back in May we said goodbye to Colin Rushbrook, who has been a Trustee for Sizewell Hall since 1988.

Colin's involvement at Sizewell Hall goes back a long way, he helped with Victor's Easter houseparty for several years. There are many ways in which Colin helped a Sizewell, he could be found doing practical jobs and be seen in the kitchen with his wife Linda cooking for a group, including Summer Madness last year!

Volunteers needed!

Paul Bunton here from Sizewell Hall.

As you should know by now, my role here on site is to oversee the whole estate, and there can be a lot of work to do!

Over the years there has been a fantastic level of help and support from volunteers who have given their time and effort to help Sizewell run smoothly. I'm looking at compiling a database of these fine people and their talents so that moving forward we can plan how best to get them involved.

With that in mind, if you are interested in getting involved, please send the following to office@sizewellhall.org.uk

- Name
- Contact details
- Skills (this can include anything; we always need people to push a broom or help fill a skip!)
- How much time/capacity you have to serve

You may be able to offer a day a month to help with the gardening for example, any contribution is really valued. Together we can help make this special place even more special

Please pray for Paul's call for volunteers. There is much to be done – and what a wonderful place to spend a few hours volunteering!

Other items, please pray for:

- All the Camps for all the leaders and all those coming and all places filled.
- For the Ventures groups in the Hall, who come from various parts of the UK and the other youth/church groups that come in the Summer. Pray for all those who volunteer to help at these groups.
- Don't forget to pray for the Over 50 groups that will be in too. Pray especially for their safety and wellbeing while they are here.
- We give thanks for Colin Rushbrook and all that he did for Sizewell Hall. Continue to pray for the other Trustees as they seek God's will for Sizewell Hall.
- Give thanks that the new soak away system is in on the campsite, ready for the summer season!
- Finally, not forgetting the work on the roof, which should be starting Sept/Oct
