## March 2020 Update

### Roof Update

We have some very exciting news to share with you all! As you may have noticed, if you have visited the Hall recently, the roof project has now moved into the final stages and will be completed very soon. We would like to say a big thank you to you all for being patient throughout this process. Thank you for all dealing so graciously with the scaffolding around the site and the various other complications that come with a project of this scale. We would also like to say a special thank you to everyone who has donated to this project in recent years, as without your generosity this wouldn't have been possible. We are very thankful for God's faithfulness throughout this process and we know that this was the right step to take to ensure the safety and comfort of all our visitors for many more years to come.

As you can see from the pictures, the scaffolding has now been removed from two sides of the Hall, allowing for a clearer picture of the finished roof. There is still work ongoing, but in the coming weeks the roof will be finished and the final sections of scaffolding will all be removed. We can't wait to share the final result with you all soon!

Thanks to your generosity the majority of the total costs for the roof project have been covered. However, we are expecting some additional costs as we near completion, particularly due to some unforeseen circumstances that have arisen in recent months. We would be extremely grateful for any donations towards these costs. If you would like to donate please visit this page on our website [www.sizewellhall.org.uk/support/donate](http://www.sizewellhall.org.uk/support/donate). ## March 2020 Update

### Introducing Matt

In February we welcomed Matt to the staff team here at Sizewell Hall as our new Marketing and Fundraising Co-ordinator.

“Hi, I’m Matt! I’m excited to be working here at Sizewell Hall, the hall has been a big part of my life since we moved to Suffolk in 2006. Since then, I have been coming each year with Battisford Free Church and I’ve also helped at various weeks and camps. I’ve seen first-hand the impact that God has on people’s lives when they come to Sizewell, and I experienced it myself when I became a Christian during a church week away here at Sizewell in 2011. I’m thankful to God for the opportunity to use my skills for his glory through my work here at Sizewell and I’m looking forward to sharing more with you all about what God is doing at our special place by the sea.”
