

SIZEWELL HALL

Coronavirus Update

Firstly, we would like to say thank you for all your support through this challenging period. We have been encouraged by the response to our last update and we are extremely grateful for your prayers and financial support. We trust in the Lord to sustain us through these difficult times and we pray that you are all safe and well at home.

As we approach the end of April we have been reviewing the current situation and looking to make the right decisions to preserve the work here at Sizewell Hall, whilst ensuring we continue to adhere to the latest guidance.

In light of this, Sizewell Hall will now remain closed until the end of June. We are continuing to contact and work with the churches and groups affected by the closure. The decision has also been made to furlough a portion of the staff team for a few weeks.

We plan to then review these measures at the end of May, and also determine if the closure needs to extend beyond the end of June.

While some of our staff are on furlough please be aware that for some queries, in particular those related to Bookings and Accounts, there may be a delay in our response. If your query is more urgent please contact the email address or phone number at the bottom of this update so that one of the remaining members of staff can answer your query as soon as possible.

As you can see from the pictures below, Paul and Chris are working hard to maintain and develop the hall and grounds, ready for when we can finally welcome you all here once again.
