Introducing Steve Fenning

It was only a few months after Bobby Moore held the World Cup aloft at Wembley that Steve Fenning was introduced to the world! Being born a farmer's son, everything pointed to him joining the generations of Fennings before him in working the land... but life took a different turn at 19 years of age when he quit agricultural college (after one whole term!) and joined The Saltmine Trust for three years, gaining experience in schools work and evangelism around the UK. At 21, he returned to Suffolk to work part-time with his Church at Brockford and part time as an evangelist. Steve (and his first wife, Sara) initiated the start of a new Church in Mendlesham in 1992 and almost 30 years on, he is still leading the church which now meets in Debenham and is known as 'The Forge'.

Steve is the proud dad of three grown up children - Sam, Alice and Rachel and following Sara's death in 1999, has been happily married to Sarah for 20 years.

He is a sports fan and an optimist (still supporting Ipswich Town) and a passionate follower English Cricket! He dreams of one day having a golf handicap below 18!

Tough Talk

On Saturday evening we will have a visit from Tough Talk.

Tough Talk is a registered charity dedicated to sharing the Gospel of Jesus Christ in an informal way that appeals to people who would not normally go to a church meeting. Tough Talk is made up of a group of men with backgrounds of ex-bouncers and ex-East End hard men who have turned their backs on their past. Many of the team are very keen powerlifters. All the team feel that having let God into their lives, they now have an urgent need to share their experiences with the hope of helping others. They have found that the message of hope in Jesus Christ reaches people from all backgrounds and age groups
