

JOHN AND LINDA MARSHALL

John and Linda will once again be leading the break and speaking in the main sessions. Both Linda and John qualified as primary school teachers in the 1970s. From 1980 John spent twenty-two years in itinerant Christian ministry initially with Scripture Union, then as a Bible teacher with the Saltmine Trust. During this time Linda mixed working with elderly people living with dementia along with keeping the home together. For the last twelve years before retiring in 2014, John pastored a church in Stafford.

They have been coming to Sizewell Hall every year for over thirty years and like to relax by bird-watching in the UK and overseas...but stress that they are just keen amateurs!

BIRD WATCHING — BREAK 2022 —

**10TH - 13TH
MAY 2022**

SIZEWELL HALL

RSPB MINSMERE

Our bird watching break is the perfect opportunity to take advantage of the amazing opportunities at the nearby, world-renowned, RSPB Minsmere nature reserve. Enjoy two full days exploring minsmere with our leaders and witness all kinds of spring-time activity!

An RSPB membership is recommended as this will give you access to Minsmere for free, however, this isn't required and you will be able to pay £9 for entry to RSPB Minsmere as a non-member.

PROGRAMME

Starting on Tuesday evening and finishing after breakfast on Friday, this is a fantastic opportunity to meet like-minded people and share in a time of fellowship together. Each day will start with a hearty breakfast, followed by a session with worship and a thought for the day before heading out for some bird watching or relaxing in the beautiful surroundings.

There will be plenty of excellent food and lots of opportunities to watch birds or relax. The popular photo competition will be making a return and there will be seminars throughout the break to give you a chance to develop your birding knowledge. The cost for the break is **£160**. You can find out more information and book your place on our website -

LIZ HUXLEY

We are also very excited that Liz will be able to join us for the whole break this year. Sharing some of her knowledge while leading a group around minsmere, during talks and leading some pre-breakfast bird watching opportunities around the Sizewell Hall grounds with any early risers!

Liz lives in Frinton on Sea, Essex; birdwatching has been her hobby for about 40 years. She worked for Essex Wildlife Trust for 15 years at Abberton Reservoir visitor centre, and now works part time with EWT and part time doing freelance wildlife photography, guided walks and talks. She is a member of Homelands Free Church in Walton on the Naze, and was involved in youth work there pre-covid.
