

DR JACO BEUKES

Jaco will be our speaker for the break. He is an experienced pastor, leader and life coach, whose life-mission is to encourage, empower and inspire people to live life to the full. He is passionate about helping people through life's challenges and has developed a unique therapeutic approach, called pastoral coaching. Jaco has been leading teams in the mission field, Christian ministry, as well as the not-for-profit sector for more than twenty years and gained this experience while working in South Africa, East Africa, Eastern Europe and the United Kingdom. He loves people, as well as the great outdoors and has recently fulfilled a decade-old dream, when he climbed Mount Kilimanjaro. During this walking break, he'll share some of his insight gained through his ministry and also tell some stories from the Mountain.
