

Sizewell Hall

50TH ANNIVERSARY Celebration

SEPT | 7TH | 5PM

Join us for our 50th Anniversary Celebration. The grounds will be open for arrival from 5pm with the celebration service starting at 5:45pm.

The service will be open air (weather permitting) so please bring a camping chair to sit on (there will be some seating available).

We are excited that Victor Jack will be speaking during the service, sharing some reflections on the Hall's history and the value of retreats in the life of the church.

The service will be followed by a Hog Roast, if you would like to be included in the Hog roast please purchase the £5 ticket.

There will be more activities available after the service, including the option to join us on the beach for an evening bonfire.
